ALL-COUNTY INFORMATION NOTICE 1-67-82

TO: ALL COUNTY WELFARE DIRECTORS

SUBJECT: COUNTY SHARE OF COST IN THE IN-HOME SUPPORTIVE SERVICES PROGRAM

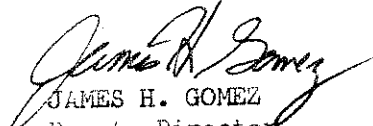

REFERENCE:

As you know, Chapter 69, Statutes of 1981 (SB 633) requires a 10 percent county share in the In-Home Supportive Services (IHSS) Program expenditures exceeding the amount spent by the counties in FY 1980/81. In accordance with this, the following system has been developed for the collection of the counties' contribution.

Once final fiscal information is received for FY 1981/82, total expenditures will be determined by the Department of Social Services (DSS) on a county-by-county basis. It is anticipated that this will occur in early November 1982. At that time, each county's share of cost will also be identified. The 10 percent county contribution will then be collected by offsetting county advances for the OCSS Program. Counties will be notified as to the amount of recoveries via the AA 190 (Statement of Cash Advances) sent to them monthly.

If you have any questions on how the county advances will be offset, please contact Fely Salgado at (916) 445-0686.

Questions regarding your county allocation should be directed to your Adult Services Systems Branch Consultant at (916) 322-6320.
